

Low-Voltage/Security System Installer

His Security is an established, independent, locally-owned security/technology company. We are currently searching for an experienced, enthusiastic and dependable Low-Voltage/Security System Installer to join our company to serve customers in the Metro Knoxville Area.

We are looking for experienced Low Voltage Professionals to add to our continual growing team!! We provide a variety of services to our clients such as Smart Home Tech, Home Theater, Video Surveillance, Burglar Alarms, Whole House Audio, Pre and Post Construction Services, Access Control, Structured Cabling, and so much more!

Are you looking for a technician job, not a sales position? If you are ready to be an actual full-time employee with benefits, not just a 1099 contractor, let's talk!

JOB DUTIES:

- New Construction Wiring
- Installation of Security Products
- Installation of Smart Home Technology Products
- Troubleshooting Low Voltage Systems
- Structured Cabling
- Install, Set Up and Troubleshoot Video Surveillance Systems
- Must be able to work independently
- Audio/Video Installations and Troubleshooting

REQUIREMENTS:

- Must be 18 years or older
- High School diploma or equivalent
- Clean driving record
- Computer skills
- Good mechanical aptitude
- Ability to work independently, self-managing your projects and time
- IT related skills
- Basic understanding of the principles of electronics
- Willingness to learn
- Be physically able to use ladders repeatedly throughout the day
- Must also be able to work in small, confined, and sometimes dark spaces including, but not limited to, crawl spaces and/or attics
- You must be able to pass a pre-employment drug screen, pass a background check and become registered through the State of Tennessee

His Security specializes in all forms of modern high-end residential, commercial and industrial electronic technologies and integration, including: Security, Access Systems, Network Video Surveillance, Low Voltage Wiring and Cabling, Audio & Video, as well as Smart Home Technology. We provide state-of-the-art technology solutions from design to integration, with our experienced and certified staff cross-trained in the field of Information Technology for modern networked integration needs.

His Security Offers:

- Training
- Company Vehicle
- Competitive Pay & Benefits
- Growth Opportunities

Salary depends on skills and experience. If you are interested in joining the TEAM please submit your resume NOW!
