

System Installation Assistant/Apprentice

Entry Level, \$10-12/hr to start

Graduated from high school and looking for a better job opportunity? Do you like working with your hands? Good at problem solving? Don't like the idea of the office cubicle? Are you ready to learn while you earn, and motivated to do the best job possible?

His Security & Technology is hiring an Installation Apprentice. You will need to be dependable and willing to learn the ins and outs of installing a variety of technology systems in residential and commercial settings. With your growth in skills and knowledge, an increase in responsibilities and pay can occur with a great locally owned and operated company. You can build a career in a growing field!

REQUIREMENTS:

- Must be 18 years or older
- High School diploma or equivalent
- Clean driving record
- Good mechanical aptitude
- Computer/IT related skills
- Willingness to learn
- Be physically able to use ladders repeatedly throughout the day
- Must also be able to work in small, confined, and sometimes dark spaces including, but not limited to, crawl spaces and/or attics
- You must be able to pass a pre-employment drug screen, pass a background check and become registered through the State of Tennessee

His Security & Technology is an established, independent, locally-owned security/technology company. We are currently searching for an enthusiastic and dependable System Installation Apprentice to join our company to serve customers in the Metro Knoxville Area.

His Security & Technology specializes in all forms of modern high-end residential, commercial and industrial electronic technologies and integration, including: Security, Access Systems, Network Video Surveillance, Low Voltage Wiring and Cabling, Audio & Video, as well as Smart Home Technology. We provide state-of-the-art technology solutions from design to integration, with our experienced and certified staff cross-trained in the field of Information Technology for modern networked integration needs.

His Security & Technology Offers:

- Training
- Competitive Pay & Benefits
- Growth Opportunities
